

DISTRICT OF COLUMBIA

City Council

Ordinance No. 0016

Introduced by: [AOS Federal Prisoner Councilor] OShank

An ordinance for an Act entitled: “Arrighi District Memorial Day”

AN ACT to designate February 12th as “Arrighi District Memorial Day” in recognition of the contributions of former DCAG, District Court Judge, DCIG Head of Appeals, Special Prosecutor, MPD Officer, DC Militia War Crime Investigator, and municipal patriot Arrighi. This act will also establish guidelines for its observance.

Section 1 – **DESIGNATION**

a. February 12th shall be declared a Remembrance Day for municipal patriot Arrighi, commemorating his commitment to enforcing the autonomy and security of the district from rogue federal agents.

b. This day shall also serve as a reminder of Arrighi’s unjust blacklisting following a **one day spawn killing ban evasion**, an example of when moderation is done for the sake of it rather than to genuinely help this community. When bans are performative to

uphold the ego of moderators and create a charade of accountability. I, Councilor OShank, along with more than five other DC militia members, took part in spawn killing the “victim” in a far more extreme manner that day. Each of us spawn killed the “victim” countless times beyond what Arrighi did, yet only Arrighi was singled out and banned.

c. The remembrance shall highlight how group management and moderators selectively enforce rules to punish their most active participants while allowing major offenders (things much more serious than spawn killing or abusing cuffs in game) to escape consequences due to insider connections. An example of these insider connections allowing one to get away with genuinely harmful blacklistable actions in this community was displayed on the writing of this bill 2/17/2025.

Section 2 – **OBSERVANCE AND INTEGRITY**

a. On February 12th of each year, any defamatory or slanderous remarks against Arrighi made on municipal property shall result in a municipal property blacklist.

b. On this day District Investigators shall be encouraged to scrutinize and expose any misconduct committed by federal thugs as a tribute to Arrighi’s legacy in nusa’s justice system.

c. On this day all Municipal Agencies will be encouraged to enforce the Chexburger Domestication Act to the fullest extent in remembrance of Arrighi’s commitment to this act

Section 3 – **EFFECTIVE DATE**

a. This Act shall be effective immediately upon the signature of the Mayor.
